Hello Rebecca,

Thanks for reaching out. Some final info is going into the SOE this week and we hope to complete it in the next few days.

Lorena Parker is planning the First Thursday event. Her contact info is pasted here. This will be a bigger crowd than the usual First Thursday events and I understand that portions of 6<sup>th</sup> & 7<sup>th</sup> streets will be closed off to accommodate entertainment and higher pedestrian density. Lorena can provide all further details/layout.

**Subject:** SOE Confirmed

Hello,  
Hope you are all having a great Tuesday.  
I had a couple of questions regarding the Schedule pf Events.

Do we have an expected date when the SOE will be confirmed and done?

The Welcome Party in Downtown San Pedro who is the primary POC for this event?  
There are several issues which need to be discussed with law enforcement and Fire.

I would like to reach out and find out the following.

What is the layout of the event?  
Are there performances?  
Where is the Incident Command Post or for this event? Is there a Incident Command Post?  
Are there additional security being used?  
What kind of street closures will be in place and what is being used to close the streets?  
How many people are expected to attend?  
Is it going to be published on the internet?

Thank you and I look forward to your response,

Rebecca
